

ALiSEA Governance 2025.

November 18, 2025

IMPLEMENTERS

DONORS

ALiSEA

AGROECOLOGY LEARNING ALLIANCE
IN SOUTH EAST ASIA

Objectives

01

Answer need for knowledge exchange and experiences sharing

02

Foster interactions and create safe space for stakeholders

03

Increase visibility of agroecology of local initiatives

An Open coalition of multi-stakeholders promoting a broad understanding of Agroecology

Over 200 members in the 5 countries Vietnam, Laos, Cambodia, Myanmar and Thailand

ALiSEA

Modalities of ALiSEA action plan:

- 01. Capacity building:** enhances the capacity of members to sustain, perform and participate actively in the scaling up of agroecology.
- 02. Communication and media outreach:** promote AE to public and enhance professionals and citizens' journalists increase the media coverage on agroecology and food issues
- 03. Policy dialogue:** recognize as a key player in promoting AE transition in Mekong Region & influencing policy
- 04. Small Grant Facility:** Strengthen ALiSEA members and its partners in support to agroecology transition in the Sub-Mekong Region
- 05. Knowledge Management & Hub:** become the leading knowledge resource on agroecology in the Mekong Region.

Next steps / Perspectives

Structure & Sustainability

- Structure and linkages between national and regional levels to be further developed and tested.
- Registration VS Informal network

Financial Strategy

- Network raised additional funds via SDC collaboration on Agroecology Promotion Program
- Need to develop Financial Plan for short and mid-term strategy
