Mr. Sengvilayvanh Singthavikhoun.

Ms. Manivanh Aliyavong.

World cafe

1. Divide 03 Group.
2. 20 minutes/Group.
3. Then move to another group.
4. Restitution: 5 minutes/group.

Group 1: Communication

Objective:

To identify ways members can support communication efforts and improve visibility and information sharing within the network.

Communication
Agroecology Digital
campaign (online) for
consumers.

Who has already implemented
digital campaign in the past?

List the **most**
priorities Topics to be
addressed by the
campaign ?

Why these topics
are priority in the
context of Laos?

Who has existing resources
in their own action plan
(HR, budget) ?

Group 2: Communication

Objective:

To identify ways members can support communication efforts and improve visibility and information sharing within the network.

Communicate
ALiSEA and Member.

What communication channels can we strengthen or create to improve information sharing within the network?

Any suggestion communicate with ALiSEA

Group 3: Capacity Building

Objective:
 To explore how members can contribute to strengthening skills, knowledge, and training opportunities within the network.

	What training topics can your organization offer or co-facilitate for other members?	Who has existing resources in their own action plan (HR, budget) ?	Any suggestions : how to implement it effectively?
<p>Capacity Building</p> <ul style="list-style-type: none"> 1. Agroecological Design and Planning. 2. Climate-Resilient Farming Practices. 3. Promoting Youth Involvement in Agriculture. 4. Agroecology and Nutrition Linkages. 5. Marketing and value chain 6. other
